Main equipment

CAD Equipment

(Name)	(Number)
・I GRIP(Simulation)	3
・CATIA V5(3D)	3
・Unigraphics(3D)	1
・CAD (Machine use AUTO CAD AIS5)	27
・CAD (Machine use AUTO CAD) LT	5
・3D CAD/CAM (MASTER CAM)	4
・2D CAD/CAM (Eg CAM)	1
・ECAD (For electrical)	2
・UNI DRAF(For electrical)	1
・Large Xerox machine (width A0 Size)	1
・A0 Plotter	1

Machinery equipment

(Name)	(Number)
・5-axis machining center (VARIAXIS 63	1
・5-face machining center (MVR-25)	1
・5-face machining center (M-VR24/28/	1
・NC vertical boring machine (RB-4N)	1
・Horizontal type machining center (M-H	1
・machining center (FSP-50V)	1
・Milling center (V-500)	1
・Die milling machine (PK80)	1
・Wirecut EDM machining center(DWC-2	2

Machinery equipment

(Name)	(Number)
・Universal tool milling machine	5
・Radial drilling machines	6
・Upright drilling machines	4
・Twist drill grinder	1
・Tool grinding machine	1
・Surface grinding machine	2
・Contour machine	2
・Engine lathes	1
・Copying gas cutting machines	2
・Electric quenching furnaces	1
・Band-sawing machine	2
・Cranes with hoist 10TON	2
・Cranes with hoist 5TON	2
・Die spotting presses 500TON	1
・Try-press 150TON	1
・Line try power supply be fully equipped	
440V 1000KVA	1
440V 200KVA	1
210V 750KVA	1
210V 200KVA	2

Inspection equipment

(Name)	(Number)
・Layout machine	2
・Layout machine surface plate ($9^M \times 3^M$)	1
・3D Measuring instrument (Portable 8ft、10ft)	2
・Granite Surface Plate ($2^M \times 1^M$)	1
